Franchise Cafe - In A Very Busy Location

This franchised Cafe is located in the heart of the CBD where there are tons of hungry office workers, students and visitors passing by daily.

The shop is cute and compact and there is outdoor seating available also, making this a pleasant and convenient Cafe for those wanting to drop by for a coffee or a meal.

We are advised by the owner that weekly sales prior to Covid-19 were approx. \$20,000.

This Cafe is very easy to manage with limited franchise expenses. A business like this one could suit either an experienced operator or a first time buyer.

The current owner has successfully run this Cafe for around 9 years and has shifted location about 2 years ago. Unfortunately due to health reasons, the current owner has to sell this gem.

Priced at \$350,000 plus stock of \$5,000 approximately.
